

Quicken for Mac 2007 Conversion Instructions

Direct Connect to Web Connect

Introduction

As **Quantum Credit Union** completes its system conversion to its new core operating system, you will need to modify your Quicken settings to ensure the smooth transition of your data. Please reference the dates next to each task as this information is time sensitive.

To complete these instructions, you will need your User ID and Password for each Financial Institution.

NOTE: **Direct Connect** may require registration. Please contact ***your financial institution*** to verify your Direct Connect login information. **Web Connect** uses the same User ID and Password as the **Quantum Credit Union** website.

You should perform the following instructions exactly as described and in the order presented. If you do not, your online banking connectivity may stop functioning properly. This conversion should take 15–30 minutes.

Thank you for making these important changes!
